

# RECYCLABILITY

## Milan Bin

In order to contribute to a better preservation of the environment, we kindly ask you to dispose of the product's components separately (depending on the type of material) in a suitable place at the end of its useful life, so that it can be recycled.

To make your task easier, we indicate the materials from which the product is made.

| Material     | Component  |
|--------------|--|
| Plastic (PE) | Body, Lid, Liquid deposit*                                       |
| Plastic (PP) | Stacked cup holder system*                                       |
| Steel        | Sorting slot*, Swing lid*, Body separator*, Cup stacker support* |
| Rest         | Lock*  |
